Electric Park!

Tuesday Evening, Aug. 8.
Band Concert and Dance.

Music by Chaffers' Band.
This is the most popular of the regular week-end entertainments at the park.

ADMISSION ONLY 15 CENTS.
Every Tuesday Evening.

R. K. WHITE,
Watchmaker, Manufacturing Jeweler
and Graduate Optician,
112 E. Palafox Street, Pensacola, Fla.

TERSELY TOLD.

Mr. and Mrs. J. T. Britt, of Chipley, were among the registered guests at the Merchants hotel yesterday.

Pile Maddox, who has been spending some time in the city, expects to start out on the road again about August 15.

On account of the death of Frank C. Jenkins, the meeting of Pensacola Typographical Union, No. 382, has been postponed from August 6 to August 12.

R. R. Coxon, of Cowan, Fla., a prominent lumber dealer of that place, was here yesterday looking into the timber trade.

A. Preswood, of Andalusia, Ala., a prominent business man of that place, was in Pensacola yesterday on a short business visit.

The steamer Tarpon entered yesterday from Carrabelle, Apalachicola, St. Andrews and other joints on her trip, bringing in a good cargo of freight and quite a number of passengers.

Southern Hotel Arrivals: L. B. Jones, Apalachicola; Homer Brown, city; A. P. Moore, Millview; W. R. Taylor, Millview; C. Sandusky, Jos. McL. Co.; J. H. Collins, city; T. E. Johnson, DeFuniak; W. M. Mackey, DeFuniak; Geo. Bruce, Bagdad.

Seven defendants were before Recorder Lauer in the municipal court yesterday morning for trial. Of this number two defendants were discharged, one case turned over to the county authorities, and fines imposed amounting to \$22.

C. K. Manning, who left here with his family a few days ago for El Paso, Texas, where he went to take charge of the Singer Sewing Machine Co.'s business there, writes that he reached there all right but that his train from New Orleans was the last that was permitted to run through.

All of the names in the city directory are not worth as much to you as the name of the man to whom that lot of goods is now worth three times as much as you paid for it. A little serious want advertising will cause a man to hunt you up—for in the game of things, he is anxious to find you.

Remember, the little daughter of Captain and Mrs. Lars Anderson, who died yesterday morning after a short illness, caused from eating canned corn, will be buried this afternoon. The little girl was only eight years of age and was not the oldest of the family as was stated. The interment will be in St. Michael's cemetery at 4 o'clock, and the following young men will act as pall bearers: Arthur B. Brown, Frank Henry, Will Alfred, George George Sellers and Q. Jones.

Be delighted with the "Blue Ribbon Flavor." Ask any lady that has used Blue Ribbon Vanilla Extract and she will tell you that it is the "Ever Made." Ask your grocer for Blue Ribbon Vanilla. Takes less, lasts longer.

NOTICE. TYPGRAPHICAL UNION. Members of Pensacola Typographical Union, No. 292, are requested to assemble at the residence of our president, Frank C. Judevine, No. 101 E. Palafox street, Sunday August 6, at 2 o'clock, to attend the funeral of PERCY S. HAYES.

W. A. D'ALEMBERT, Secretary.

INSPECTORS ARE DOING GOOD WORK

(Continued from First Page.)

twenty or more for Florida, who were depending upon their tickets and "words of honor" to get through. We stopped them until they could produce evidence of their whereabouts since July 17th. After the train was gone we helped them with suggestions as to how they could prove where they had been. I asked a drummer, for example, to show his expense account. He did it, and from it I traced the places he had been as he told them to me. I was satisfied with the evidence and passed him. I asked another to show me his sales book. I then selected two of his patrons from the list and told him to wire them to list me that they had made the purchases on the day named. And so on through the list. I conferred with Dr. Anderson by phone about this method of getting at the facts, and he approved it. I have asked at all points that passengers to Florida points will be required to prove where they have been for the past ten days.

"We have not had any fruit cars this way. Three box cars from New Orleans had been fumigated before I arrived. Two empty sleepers came through to-day from New Orleans to Jacksonville. We fumigated them to kill mosquitoes, detaining them only a few hours.

"Travel yesterday was heavy from the south, but few for Florida. It was light from the north. The air was streaked with rumors of yellow fever in Mobile. Also the Press Association had just adjourned in Mobile. Travel from the south was lighter today, but heavier from the north and a great many more for Florida.

"We have been having Mr. Anderson go to Mobile every morning and leaving there on the local passenger train from New Orleans, which comes as far as Bay Minette, inspecting the train enroute. At Bay Minette he stops and gets on the fast train from New Orleans, which follows close behind. He has time thus to inspect both trains before getting here. Henceforth we are going to work the trains to Pensacola similarly. This will leave two of us on the grounds here all the time and one on the road."

No such thing as "summer complaint" where Dr. Fowler's Extract of Wild Strawberry is kept handy. Nature's remedy for every looseness of the bowels.

WILL DRAIN BUTCHER PEN POND WITH DYNAMITE.

Butcher pen pond, located in the northern section of the city, which has been a menace to health for many years, is to be drained by the city authorities.

Dynamite is to be used in accomplishing the work. A pipe about twenty feet in length has been sunk near the center of the pond, and into this a large quantity of dynamite will be placed, being discharged by electricity. An underground passage is believed to exist and the dynamite is expected to make such an excavation as will allow the free passage of the water from the pond.

Eczema, scald head, hives, itchiness of the skin of any sort instantly relieved, permanently cured. Doan's Ointment. At any drug store.

BANKRUPT SALE
